Dear Brothers in Christ,

Greetings in the Savior's Name! Continuing to follow what we trust is the leading of the Lord, we are happy to announce another men's Bible study seminar to be held in January, 2009. In the will of the Lord,

Dates: January 5-9, 2009 Monday eve through Friday breakfast
Place: Camp Horizon, Leesburg Florida
Teacher: Bernard Osborne (Wales)
Topic: Scripture Passages That Have Been Influential In My Life
Camp Fee: \$95 USD

For those not familiar with these studies, this is a very intensive time of concentrated Bible study. The days are long, and the sessions rigorous, yet enjoyable, and are truly most profitable to those that are serious minded about God's Word. While we would certainly not seek to discourage any interested brother from attending, we do want all to know from the outset what to expect. This in no way implies that all attendees are "advanced" students of the Bible. There will be men at various stages in their Christian growth and experience. The purpose for gathering is to work together in this format of intensive Bible study to gain insight into God's Word and increase our appreciation of God's Son and God's mind as revealed in Scripture. Thus shall we be better equipped to serve the Lord in His assembly. As many of you have experienced, the blessings and benefits derived from intensive study of God's word can be tremendous.

The study begins with supper on Monday evening 5:30 pm and ends late Thursday night. While some will leave Thursday evening, all attendees are welcome to stay through Friday morning breakfast.

As far as financial arrangements are concerned we would like to express from the outset our continued dependence on the Lord and our confidence in Him to supply the needs. While the seminar will continue to be sponsored by concerned brethren as the Lord leads and supplies, the fee for use of the Camp Horizon facilities, lodging, and meals is \$95.00 and is payable by check only (no credit cards), and is due at the time you return the registration form unless you call one of the brethren listed and make other arrangements.

As in the past, it is our desire that those who are led of the Lord to come be able to do so. If you for some reason cannot afford to send the registration fee do not hesitate to contact one of the brethren mentioned below. Trust the Lord and do not let lack of personal financial resources prohibit you from coming.

Obviously there are other expenses connected with a study of this nature. We trust that each will settle in their heart before the Lord their responsibility in light of Gal. 6:6:

**“Let him that is taught in the word communicate
unto him that teacheth in all good things”**

May each one pray for wisdom to know His guidance and grace to obey it. Further details will be forthcoming. It is suggested that you register as soon as possible as space is limited due to the nature of the study and size of the facilities. As in years past, Randy Amos, John Botu, Keith Keyser, Larry Price, and Henry Sardiña, who have been mutually burdened about this study, are working together desiring to serve in the area of facilitating this study.

You may register for the seminar by completing the registration form and sending a check for the camp fee (\$95 US). The registration fee should be paid by check made out directly to:
